### Tax allowances for vehicles and equipment (capital allowances)

There are 'capital' tax allowances for vehicles and equipment used in your business (you should not have included these in your business expenses) Read pages SESN 3 to SEFN 6 of the *notes* and use the example and Working Sheets to work out your capital allowances.

|    |                                                      |   |   |

### Calculating your taxable profit or loss

You may have to adjust your net profit or loss for disallowable expenses or capital allowances to arrive at your taxable profit or loss for tax purposes. Read pages SEFN 15 and SEFN 16 of the notes and fill in the boxes below that apply

|    |                                                                                                               |       |
|----|---------------------------------------------------------------------------------------------------------------|-------|
| 59 | Goods and services for your own use - <i>read page SEFN 15 of the notes</i>                                   | £ 0 . |
| 60 | Total additions to net profit or deductions from net loss<br>(box 45 + box 57 + box 58 + box 59)              | £ 0 . |
| 61 | Income, receipts and other profits included in business income or expense but not taxable as business profits | £ .   |

### Calculating your taxable profit or loss (continued)

If you start or finish self-employment and your accounting period is not the same as your basis period (or there are gaps in your basis periods), or in certain situations or trades or professions, you may need to make further adjustments - read pages SEFN 13 to SEFN 15 of the notes.

|    |                                                                                                                                                                                                                                                     |       |
|----|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------|
